

Your journey

Your journey around the railway, takes in 3 stations. You may break your journey at any of these stations to look at nearby attractions, and then return to that station to complete your circuit of the railway.

Bentley Central - this is our primary and busiest station. From here you can visit the children's play area, as well as the cafe and shop.

Bentley East - from this station you can visit the house gardens and the wildfowl.

Glydebourne Wood - from this station you can take a stroll around the ancient Sussex woodland. If you are feeling really adventurous, you could visit Branching Out (there is an additional cost for this).

All fares are in addition to the admission charge to Bentley Wildfowl & Motor Museum site.

Discounted fares are available for organised groups (see our web site for details and bookings).

Railway operating days

We run a scheduled timetable of passenger trains on Saturdays, Sundays and Bank Holidays from Easter until the end of October. We also run daily during local (East Sussex) school holidays.

All running days are subject to the weather and essential engineering works permitting. On specific dates when major events are held at Bentley, we may run intensive services.

About our railway

Established in 1985, Bentley Miniature Railway has developed into one of South East England's hidden treasures.

It comprises of a one mile of ground-level 7 1/4" gauge miniature railway, with a variety of privately owned steam, internal combustion and electric powered locomotives. All are built to standard or narrow gauge profiles, hauling our passenger carrying trains.

Built, maintained and operated by unpaid volunteers, who are all members of Bentley Miniature Railway Ltd., we are proud to be one of Britain's Great Little Railways.

We are also affiliated to the Southern Federation of Model Engineering Societies.
