

Your Journey

Your journey around the railway takes in 3 stations. You may break your journey at either station (subject to occasional closure), and then return to that station to complete your circuit of the railway.

Bentley Central - this is our centre of operations where you will find our workshops, carriage sheds and locomotive preparation area.

Bentley East - is a newest station near the house and gardens, and is temporarily closed for this season.

Glyndebourne Wood - from this station you can take a stroll around the ancient Sussex woodland. If you are feeling really adventurous, you could visit Branching Out (there is an additional charge for this).

Discounted fares are available for organised groups (see our web site for details and bookings).

How to find us

Bentley Wildfowl & Motor Museum is signposted from the A22 and A26, between Uckfield, Halland and Ringmer. For those using a SatNav, you can find us by entering: **'BN8 5AF'**

2019 Operating Days

We run a flexible service of passenger trains on Saturdays, Sundays and Bank Holidays from Easter until the end of October. We also run during local (East Sussex) school holidays. All running days are subject to the weather, essential engineering works permitting, and sufficient staff to be able to safely run the railway. On specific dates when major events are held at Bentley, we may run intensive services.

Bentley Miniature Railway

In the grounds of
Bentley Wildfowl & Motor Museum
Harveys Lane, Halland, East Sussex, BN8 5AF

About Our Railway

In 1984 Uckfield Model Railway Club were approached to operate a railway around a small loop in the children's playground at Bentley Wildfowl & Motor Museum, owned by East Sussex County Council.

The Wildfowl & Motor Museum has changed hands several times since but with each change the railway has flourished.

1995 saw the railway extend to 1/2 mile with construction of a line to the edge of "Glyndebourne Wood". In 2010 the line was further extended to take in "Bentley East" near the estate Farm House making a full 1 mile circuit.

In 2013 operation of the railway was transferred to a new, independent body, Bentley Miniature Railway Ltd although the members remain the same.

The railway was built, and is still operated, entirely by volunteers who operate their own locomotives to haul the public around this hidden secret of Sussex.
