

# About Our Railway

Bentley Miniature Railway first opened to the public in 1984 as a short loop of track and has since evolved into the one-mile circuit we have today.

The railway was built and is still operated entirely by volunteers who operate their own locomotives to haul the public around this hidden secret of Sussex.

We hold various special events throughout the year in addition to the regular passenger service. We also offer trips to see Santa in his woodland grotto at Christmas which are very popular.

For those who want to try their hand at driving a miniature locomotive, we offer experience days for both adults and juniors. Please visit our website for more details.

If you are interested in helping us run and maintain the railway, please speak to a member of staff who can provide you with more information.

We hope you enjoy your visit and don't forget to tell your friends about us.

## How to find us

Take Harvey's Lane from the A22 Uckfield, B2192 Ringmer or Bradfords Lane from A26 to the entrance of Bentley. Follow the driveway to the end and turn right towards our car park. For those using a SatNav, you can find us by entering: 'BN8 5AF'

# Bentley Miniature Railway

In the grounds of Bentley  
Harveys Lane, Halland, East Sussex,  
BN8 5AF

Glyndebourne Wood is where you can alight and take a stroll around an ancient Sussex woodland. If you are feeling really adventurous, you could visit Branching Out Adventures (there is an additional charge for this).

We run passenger trains from early April until the end of September. We also run during East Sussex schools summer holidays. On specific dates when major events are held at Bentley, we may run intensive services.

The Stables Eatery

The railway has two stations allowing you to break your one-mile journey should you wish (subject to occasional station closure).

Discounted fares are available for organised groups (see our website for more details).
